Life, Creatively Organized Top 10 organizing tips under \$10

Hi there! As a professional organizer, I want to help you organize your life and decorate your home for less, but I also want to show you how to do it inexpensively. So, here are my favorite organizing tips under \$10 that will help you get your home organized!

Pam ☺

1. Keep scarves neat by [hanging them through shower curtain rings strung on a hanger](#). Both hangers and shower curtain rings can be purchased at the dollar store.

2. Cut down your empty food boxes to custom [organize your junk drawer](#) for free! Recycle and get customized organization for free – woot!

3. Cut down the side of a cereal box to [store plastic lids in kitchen cabinets](#). Saves on storage space and it's free!

4. Use toilet paper tubes to [store electrical cords](#) neatly. (Free again – see the theme?)

5. Cut toilet paper tubes down one side. [Place on wrapping paper rolls](#) to keep the paper from unwinding.

6. Use a tackle box to [store earrings](#). I sort mine by color. (under \$10)

7. Use Command hooks to [hang measuring cups and spoons on the inside of a kitchen cabinet](#) to keep them handy and free up drawer space.

8. Use a shoe bag with clear pockets hung over the door to [organize your linen closet](#). Organize medicines, toiletries, and other items so they are easily accessible.

9. Hang a tension rod under the kitchen sink to [hang cleaning bottles](#). (\$5)

10. Use 3 nails to tack an outgrown crib fitted sheet in the corner for a [no-sew stuffed toy hammock](#) to corral all those toys neatly. It holds a lot more than you think!

Thank you for downloading these organizing tips. I hope you found them helpful!
